#### **PRESCHOOL GYMNASTICS, NINJA & TRAMPOLINE (ages 2-5)**

Class Length: 55 min | Tuition: \$60

Do your children love to climb, swing, jump, run, and play? Do you want to offer them a fitness activity that builds self-esteem through personal accomplishment? How about all of that within a safe and nurturing environment? This class is designed for homeschool families and includes preschoolers from age 2-5 (children under 3 must be accompanied by a parent or older sibling). Using a circuit format, children will learn fundamental skill progressions on vault, bars, balance beam, spring floor, trampoline, and even a little ninja warrior training! Gross motor skill development and important interpersonal skills such as listening, following directions, waiting for turns, and interacting with friends are also emphasized. And did we mention FUN?!

#### **SCHOOL-AGE GYMNASTICS, TUMBLING, NINJA & TRAMPOLINE (ages 6+)**

Class Length: 60 min | Tuition: \$65

This class is designed for homeschooled children ages 6 and up and includes tumbling, trampoline, ninja obstacles, and three additional gymnastics events--vault, bars, and balance beam. So what makes this class different? Along with learning and progressing through fundamental skill progressions, this specially designed class will also educate your children on the science behind warming up and cooling down, the physics of motion as it relates to gymnastics and tumbling skills, and the importance of fitness as a life habit. All while having a whole lot of FUN!

#### **LUNCH & RECESS**

Offered Fridays from 11:30am-1:00pm, Lunch & Recess is an all-family play time at our Olive Branch location.

Cost is \$2 per child age 2+ but FREE for any child enrolled in our daytime homeschool classes.

All parents play for free too! Bring your lunch and enjoy open gym time with your family!
